

## **Open Home Profile**

| Name:  |  |
|--|--|
| Contact (optional):  |  |
|  |  |
| Location:  |  |
| Home Overview  |  |
| Home Type (e.g., Detached, Semi-detached, Apartment, Bungalow):        |  |
| Year built (Approx):   |  |
| Size (Square footage or number of bedrooms/bathrooms):                 |  |
| Renovation History (Include any green renovation dates or milestones): |  |
|  |  |
|  |  |
|  |  |
|  |  |
|  |  |
|  |  |
|  |  |

## **Green Features**

**Energy efficiency** 

| Insulation (Type, areas insulated):                               |
|---|
|   |
|   |
| Windows & Doors (Type, materials used, double/triple glazing):    |
|   |
|   |
| Green Features  |
| Energy efficiency   |
| Heating System (Type, efficiency rating, and control system):     |
|   |
| Cooling System (Type, efficiency, and control system):            |
| Cooling System (Type, eniciency, and control system).             |
|   |
| Lighting (LED, smart controls, natural light):                    |
|   |
|   |
| Appliances (Energy Star rated, specific energy-efficient models): |
|   |
|   |
| Smart Technologies (Smart meter Tariffs, integration tech):       |
|   |
| Energy efficiency   |
| Life 19 y efficiency  |
| Solar Panels (Number, capacity, and type):                        |
|   |
|   |

| Battery Storage (Type, capacity, and integration):  |
|---|
|   |
|   |
| Other Renewable Sources (Specify any additional renewable energy systems):  |
|   |
| Green Features  |
| Indoor Environmental Quality  |
|   |
| Air Quality (air purifiers, low-VOC paints and materials):  |
|   |
|   |
| Ventilation Systems (Trickle vents, wall vents, MHRV):  |
|   |
|   |
| Natural Lighting (Skylights, sun tunnels, and window placement):  |
|   |
|   |
| Other useful information:   |
|   |
| Performance & Savings   |
|   |
| <b>Energy Savings</b> (Annual kWh saved, percentage reduction compared to previous years):                              |
|   |
|   |
| <b>Carbon Footprint Reduction</b> (Estimate of CO2 reduction - this <u>CO2 calculator</u> can be a useful tool to use): |
|   |
|   |

| Financial Savings (Utility bill reductions, payback period for green investments): |
|--|
|  |
|  |
|  |
| Green Features   |
| Challenges & Solutions   |
| Heating System (Issues encountered during the renovation/work):                    |
|  |
|  |
| Solutions Implemented (How challenges were overcome, any innovative approaches):   |
|  |
|  |
|  |
|  |
| <b>Upcoming Projects</b> (Planned upgrades, additional sustainability measures):   |
|  |
|  |
|  |
| Long-term Goals (Goals for further reducing environmental impact):                 |
|  |
|  |
|  |
|  |
